

Rockland Rockies Booster Club

Dear

I hope this letter finds you well and want to thank you for taking the time out of your busy schedule to read our note. I am reaching out on behalf of the Rockland Rockies Inc. Booster Club, a dedicated group of individuals passionate about fostering the growth and success of the Rockland Rockies, a NYS Section 1 Girls Varsity Ice Hockey Team.

Our mission is to provide invaluable opportunities for character development, confidence building, and achievement in our female athletes through the sport of girls' ice hockey. We firmly believe that a girls-only ice hockey program creates an environment that nurtures sportsmanship, personal responsibility, and teamwork. This unique setting cultivates mutual support, collaboration, and camaraderie among our players.

WHAT WE SPEND YOUR DONATIONS ON : scholarships, team building, developmental programs, equipment, help offset transportation costs (our players currently do not have regular transportation to practices or games), warm-up team gear for each player, team clinics and so much more!

We are committed to supporting the favorable experience of every player with the Rockland Rockies NYS Section 1 team, increasing the number of Rockland schools offering Girls' Varsity Ice Hockey, and contributing to the overall growth of girls' ice hockey as a sport. Our efforts began in the winter of 2020/2021, a challenging time globally due to the COVID-19 pandemic. Despite these unprecedented challenges, our girls, hailing from various high schools across Rockland County, came together fueled by a shared passion for hockey. Undeterred by the circumstances, we embraced the challenges as opportunities and became trailblazers in our community. Our team is a vibrant tapestry of talent, bringing together girls from different high schools and backgrounds. The team is made up of female athletes from almost every high school in Rockland County. This diversity is our strength, as we celebrate our differences while working towards a common goal: victory on the ice and unity in our community.

As a developing women's organization, we are seeking support from well-established organizations and businesses like yours. Your contribution will directly impact the resources we can provide to our team, enhancing their experience and furthering the growth of girls' ice hockey in Rockland County. Your support will not only be an investment in the success of our team but also a testament to your commitment to the development and empowerment of young women in sports.

Enclosed with this letter is a detailed sponsorship package that outlines the various opportunities for collaboration and the benefits your business or organization can enjoy through supporting the Rockland Rockies Girls Varsity Ice Hockey Team. All donations are tax deductible as we are an official not-for-profit 501 (3) (c) organization. Also, 100% of your donation goes directly to supporting our female athletes, as we are an all volunteer organization with zero administrative costs.

We would be honored to discuss this partnership further and explore how we can tailor a sponsorship package to align with your business goals. Please feel free to contact us at 914-522-8684 or Rocklandrockies@gmail.com.

Thank you for considering this request, and we look forward to the possibility of collaborating with you to make a lasting impact on the future of girls' ice hockey in Rockland County, NY.

Sincerely,

Jennifer Harrington

President of the Rockland Rockies Inc. Booster Club
